**Ideal for the more serious water enthusiast, these inflatables are tough, rugged and ready for a challenge.**

### **Honda Honwave Aluminium Deck Inflatables**

Geared-up and ready for a challenge!

For sea enthusiasts that take fun seriously! Honda's aluminium-deck inflatables are the ideal watercraft for just about any nautical activity. Rugged and ready to go, their extra-large buoyancy tubes guarantee smooth cruising every time. The floor slats are number coded for hassle-free assembly, and the smaller models can be stored in a single bag. So you can take them anywhere!

### **Make the good even better**
